Judges Profile

I first started showing dogs when my parents bought an OES as a pet in 1964 and were persuaded to show him. I was hooked and bought a bitch for myself in 1966 and was lucky enough to make her a Champion. I first judged OES in 1970 at a Club open show. I continued showing a bitch from my Ch. And another one bought in until the mid 80s. Then my wife and I decided to get a dog for a pet and we fell for Tibetan Terriers, we got our first in 1986 and another a year later and showed both with some success. A litter followed and as happens, the numbers grew to ten after a few litters!! I currently have one Champion bitch with 7 CCs and a boy on 2 CCs. I first judged TTs in 1993 and since have gone on to award CCs in the breed 6 times including a Club show and have another appointment at SKC in August 2019. I have awarded CCs in OES on three occasions as well. I first judged Lhasa Apsos in 1994 at Suffolk Agric. Show and had the privilege of judging the great Saxonsprings Lineker. I have now judged the breed on 10 occasions, 35 classes and 78 dogs judged, 28 absentees (14 at one show when the weather was atrocious). I have judged the Utility Group on 6 occasions and also the Working and Pastoral Groups one time each at Open shows. Also have judged most of the other Utility breeds. I have attended 3 Seminars involving Lhasa Apsos.

I was surprised and honoured to receive an invite to judge your show and hope I justify it. Thank you.

A puppy is a dog of six and not exceeding twelve calendar months of age on the first day of the Show. Where the Best in Show is a puppy it should automatically be awarded Best Puppy in Show respectively. 15. All dogs resident outside the UK must be issued with a Kennel Club Authority to Compete number before entry to the show/event can be made. All overseas entries without an Authority to Compete number will be returned to the exhibitor/competitor.
16. **DOGS IN VEHICLES ON HOT DAYS**
Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at KC licensed events.
 - When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.
 - If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.
 - The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.
 - Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.
 - When at the show, never leave your dog in the vehicle.

Dogs in Vehicles on Hot Days

Your dog is vulnerable and AT RISK if left in a vehicle in high temperatures and even on days considered as slightly warm.

Please take care of your dog.

If your dog is found to be at risk forcible entry to your vehicle may be necessary without liability for any damage caused.
