

Thank you to the Lhasa Apso Club for this kind invitation to judge this breed Championship show.

And a big thank you to all exhibitors for this great entry! It is exactly 10 years since I first time judged lhasas with CC in UK. And today i still see the breed is in good hands of clever breeders. Some new kennel names I see also showing quality dogs under me today. Future looks good. I was very pleased with my winners in both dogs and bitches, they all can win well all over the world. The venue was super, a big ring for all to move out in. It was a perfect run show and a lovely ring crew who sorted me out all day.

Thank you for great hospitality shown to me and my friend Nina, and to Stuart Keay who took so good care of us. Thank you for my wonderful judges gift, I felt spoiled! I really enjoyed my day judging some outstanding lhasas.
