1 Hattrell's Khinjan Scarlet Pimpernel BPD, BPIS This stunning baby stole my heart as soon as he entered the ring. He is quality through and through. Fabulous classic outline, balanced head, dark eye, correct length of neck, good topline, wonderful lay of shoulder, good front, well ribbed. Moved soundly for one so young. Well presented.

2 Dorrell's Showa Dynamite for Archirondel Well constructed black. Not as forward as winner and has plenty of time to develop. Presents a lovely outline. Good head, neck and shoulder. Moved soundly, but a fraction close.

Beautiful head, lovely eye, good neck, front and shoulder. Well ribbed, good rear. Moved smartly. Had to give way to her litter brother for BP.
